Maestra Delgado | Week #2  
August 31, 2023

## Announcements:

- **Lansing Field Trip** On Wednesday, September 20 we will be having our first Field Trip to Lansing. We are so excited! We will be leaving school at **8:00 am and coming back around 4:00 pm**. I will send home a field trip detail letter or email in the next few weeks, please make sure to read it and let me know if you have any questions. If you are **driving or coming along** to this field trip please be at school by **7:45 am** to go over the schedule for the day. **Thank you!**
- **First Lego League** is based around a robot that a team of 4th/5th graders build and program to perform goals on a competition board. The team also researches a real world issue and comes up with a creative solution. They will present their solution in a creative way for judges at the competition. We also focus on and learn what makes a team and how to work with others. We will have an initial kickoff meeting on **Tuesday, September 5 from 6:30-8:00 in the Media Center at ZCS**. Please contact Maria Klompmaker ([mklompmaker@zcs.org](mailto:mklompmaker@zcs.org)) with any questions.

## NOTAS de Maestra:

Good afternoon Padres!

We had a great week!! Thank you SO much for all your support as we start this school year. This week the students learned about the beginning of the bible, how to identify prime and composite numbers during Math, why the Government is so important in our country for Social Studies and much much more. I encourage you to ask your son/daughter everyday what she/he wrote in the exit ticket.

Have a blessed and wonderful long weekend!
