## Announcements:

- **Lansing Field Trip** On Wednesday, September 20 we will be having our first Field Trip to Lansing. We are so excited! We will be leaving school at **8:00 am and coming back around 4:00 pm**. I will send home a field trip detail letter or email in the next few weeks, please make sure to read it and let me know if you have any questions. If you are **driving or coming along** to this field trip please be at school by **7:45 am** to go over the schedule for the day. **Thank you!**
- **MAP Growing Assessments** are happening this coming week. You can help your student by ensuring that they get proper **sleep** the evening before an assessment, feeding them a healthy **breakfast** on each assessment morning, and encouraging them to have a **positive attitude**. Please read [this letter](#) with important details about MAP Assessments.
- **From the Immersion Director:** I wanted to take this opportunity to re-introduce myself to our immersion families. My name is Jodi Pierce, and I serve as the director of our immersion programs. Among other professional experiences, I have taught in the immersion setting abroad, served as the director of another immersion program prior to ZCS, and hold an MA in Dual Language and Immersion Education. I am passionate about the opportunities that immersion education offers our students, and I am determined to help our staff make our immersion program the best it can be. If you have any immersion-related questions or concerns, please do not hesitate to stop by my office (room #31) or send me an email ([jpierce@zcs.org](mailto:jpierce@zcs.org)). I look forward to sharing immersion details with you through your teacher's blog. It is a blessing to be partnering with you as we strive to help our students grow to their fullest potential and Burn Bright for Christ!
