Maestra Delgado | Week #6  
September 29, 2023

## NOTAS de Maestra:

We had a wonderful week! Devotions are one of my favorite times during the school day, this week one of the questions that we answered in our retroactive circle was: What is your favorite thing to be in a Christian School? The students' responses warmed my heart. "Because I learn about Jesus" "Because I can talk about God freely" "Because I can learn about how much God loves me" These were only a few answers.

Also, fall is one of my favorite seasons because I can see the wonderfulness of God and how perfect He is, I see it all around me with beautiful colors.
