Maestra Delgado | Week #15
December 01, 2023

NOTAS de Maestra:

We had a wonderful week! Happy December! We have had many meaningful conversations during this week's devotions. Today we talk about how it is always better to give than receive. I talked to students about opportunities to bless and give to people around us. There are many opportunities to give including our words, time, service, and more. Have a wonderful weekend!

Diaper Bank: We will be collecting diapers sizes 4, 5, and 6 to donate to Nestlings Diaper Bank. Their organization specifically helps teen moms in the Holland and Zeeland area. The biggest need for these moms is diapers and the experience of the love of Jesus. Nestlings Diaper Bank partners alongside Young Lives Ministry. Young Lives is a ministry that consists of a group of women and other adults who speak God's life, truth, and love into the lives of these teen girls and their children by doing life with them and helping them with the various needs that they have. We partnered with them last year as well and we were able to donate **5,348** diapers to them! They (Nestlings Diaper Bank) have that same need again this year, so what better way for us to be the hands and feet of Jesus as a 4th grade. [Here is a link](#) Diapers can be brought to school over the next 3 weeks.

Blurb for Parents

As Christian educators, we have countless opportunities to teach kids how to live in ChristIan community and to model and practice that together with them. This week, our elementary staff and students are going to talk about *spreading joy*. As Christ followers our joy comes from deep within because of what Christ has done for us, and it is miraculously accessible in both the darkest and brightest of times. We will be asking: **In what ways might we intentionally spread an extra bit of joy this week? Who might be blessed by an additional dose of joy?** We encourage your family to talk about ways to spread joy at home just as we will be doing at school! We'd love for your child to share with us at school what he/she does at home to spread joy, and hopefully your child with share with you the ways he/she does so at school. Thanks for your partnership!

Burn bright!
