Maestra Delgado | Week #16
December 08, 2023

Announcements:

Our entire staff is invited to celebrate Christmas together at a Christmas brunch on **Tuesday, December 19** during our lunch period. It's unique for us to have the opportunity to all eat together as an elementary staff given our different lunch and recess schedules, so this will be a treat! We are hoping to find a parent or two to cover each classroom during our students' lunch time 12:00-12:20. **Might you be willing to come into our classroom to supervise students eating lunch during lunch time on December 19? If so, please let me know as soon as possible!**

Christmas Party I need help by create a station, gather supplies & run it on Friday December 22 at 10:45 am. Please let me know if you can help with this. You can send me an email or sign up here [Delgado 4th grade Sign-ups 23-24](#) Thank you SO much!

Field Trip to Holland Power Plant-Thursday, December 21. We will leave school at 12:45 pm and come back at 3:10 pm. **I need one or two more drivers. Let me know if you can drive. Thank you!**

Diaper Bank: We will be collecting diapers sizes 4, 5, and 6 to donate to Nestlings Diaper Bank. Their organization specifically helps teen moms in the Holland and Zeeland area. The biggest need for these moms is diapers and the experience of the love of Jesus. Nestlings Diaper Bank partners alongside Young Lives Ministry. Young Lives is a ministry that consists of a group of women and other adults who speak God's life, truth, and love into the lives of these teen girls and their children by doing life with them and helping them with the various needs that they have. We partnered with them last year as well and we were able to donate **5,348** diapers to them! They (Nestlings Diaper Bank) have that same need again this year, so what better way for us to be the hands and feet of Jesus as a 4th grade. [Here is a link](#) Diapers can be brought to school over the next 3 weeks.

Jingle Jog schedule Monday December 18th at 10:30 - 11:00 am we will be running with 1G.

All **4th graders** will be collecting **one dollar** to send a gift to our friend in Philippines. Please help your child to **earn** the money.

Nurse Notes - When to stay home from school. Is your child sick? Should they stay home? Sometimes that can be a tough question. If your child has had diarrhea, vomiting, a temperature of 100° or above within the last 24 hours, your child should stay home. Your child needs rest. Rest will help your child recover quicker and help prevent other children from getting sick. Remember, sick kids need to stay home so they can recover. This also helps the rest of our community stay healthy. The most important way we can keep from spreading germs is proper handwashing. Questions? Please contact lwagenmaker@zcs.org computers.

NOTAS de Maestra:

We had a great week! What a wonderful job all the students did during the musical! It was great to see many of you there. Students are working hard and Burning Bright in all areas. We have a few things coming up and I would love to have some volunteers. Please take time to read the announcements in the Newsletter, let me know if you can help with any of those needs. Thank you SO much for considering donating your time!

"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"
2 Corinthians 5:17 (NIV)

Blurb for Parents

As Christian educators, we have countless opportunities to teach kids how to live in ChristIan community and to model and practice that together with them. This week, our elementary staff and students are going to talk about *spreading joy*. As Christ followers our joy comes from deep within because of what Christ has done for us, and it is miraculously accessible in both the darkest and brightest of times. We will be asking: **In what ways might we intentionally spread an extra bit of joy this week? Who might be blessed by an additional dose of joy?** We encourage your family to talk about ways to spread joy at home just as we will be doing at school! We'd love for your child to share with us at school what he/she does at home to spread joy, and hopefully your child with share with you the ways he/she does so at school. Thanks for your partnership!

Burn bright!
