  - Project Best Life will have an optional Parent Info Meeting for 4th/5th grade parents on February 5 at 6:30pm in the Media Center. 4th grade consists of two lessons, the first is about emotions and how to work through them. The second lesson is gender split and the same biological sex parent is invited to come with their child; this lesson talks about caring for our bodies and making healthy choices. If you would like to watch this 4th grade parent video link, it nicely summarizes the 4th grade curriculum. 4th grade: <https://vimeo.com/781211924>
