Maestra Delgado | Week #21
Enero 26, 2024

Announcements:

- The ZCS teachers challenge all Kindergarten through 5th grade students to grow their math thinking by participating in Math Game Mania! Please look for a handout that came home at the end of last week. If you have any questions, feel free to contact Maria Klompmaker (mklompmaker@zcs.org). With two '3-in-a-rows' they will be invited to a hot chocolate party! With each additional '3-in-a-row' they will get to put a topping into their hot chocolate.
- Pastor appreciation Breakfast is coming up on Friday, February 23, and we can't wait! Invitations will go home next week.
- **MAP Growing Assessments** are this week. Please let me know if you can or are willing to donate snack for one of those days. Thank you so much in advance. In the following document you will find all the information you need to know. As always please let me know if you have any questions. [MAP Growth Assessment-note to parents](#)
- Project Best Life will have an optional Parent Info Meeting for 4th/5th grade parents on February 5 at 6:30pm in the Media Center. 4th grade consists of two lessons, the first is about emotions and how to work through them. The second lesson is gender split and the same biological sex parent is invited to come with their child; this lesson talks about caring for our bodies and making healthy choices. If you would like to watch this 4th grade parent video link, it nicely summarizes the 4th grade curriculum. **4th grade:** <https://vimeo.com/781211924> P.S. Our 4th grade lessons won't happen until April 15 and 16.

NOTAS de Maestra:

We had a great week. Seeing many of you during the electricity open house on Thursday was wonderful! Thank you so much for your flexibility, the snow days made us change the date twice. ./ Next week is full of assessments, please ensure that your son/daughter eats a good breakfast and brings an extra snack for those days. I do not have any extra snack donations. Most likely I will buy some but not enough for all the students for 3 days. Thank you so much for all your support and be a great partner in your child's education. For your information: I will be traveling to the Philippines at the end of February. As soon I know who is my substitute for those five days I will let you know.
