Grade	Continental army	British army	Grade
D+	<p>Military- Fair, good marksman but bad army and malicha.</p>	<p>Military- Good best navy in the world. The army is good but when battling on the continental army's land they were unaware of where they</p>	A+
A+	<p>Geography- They know the land more than the British (a.k.a. the redcoats) they also know where the swamps and good hiding spots are.</p>	<p>Geography- They did not know the land as well as the Americans in the forest and did not know where the swamps and rivers are.</p>	D+
B+	<p>Supplies-had bad cannons for war and normally did not have the right amount of ammo. also the troops could leave at any time, and they have to JOIN OR DIE! They had help from other countries unlike the redcoats the countries that helped them were France.</p>	<p>Supplies-had lots of troops and had Hessians from Germany to help battle. Cannons, guns, bayonets, and ammo helped them to fight in a different land.</p>	A
C+	<p>Money- they asked the colonies for money and some of them did not have much.</p>	<p>Money-were very wealthy and could get any amount of money they wanted by taxing the people more.</p>	A+

A+	leadership- Good they had George Washington he is a very good leader.	leadership- Bad King George is a bad leader. 1	Z-
	Overall- Less chances for winning the war, but know the land more.	Overall- Better chances for winning the war.
