

The Biggest Buck Ever

By:

Hunter Freriks

“When are we going hunting dad?” said Chase anxiously “tomorrow night.” said Chase’s dad. Chase was really excited because tomorrow was the first day of hunting season and he wanted to shoot the biggest buck ever.

On his first hunt he saw nothing. Then on his next hunt he made a great shot on good sized dove.

After a few hunters seeing nothing the next day is the last day of hunting season so he goes to sleep.

The next day he goes hunting again and hears a crack he turns his head in the direction of the crack and sees the biggest buck he has ever seen. So he grabs his bow and pulls back and pulls the trigger and hits it dead in the heart. But then he wakes up and finds out it was just a dream.
