WHAT WE CAN DO TO HELP

- We can help these Christians by praying for them to have the strength and courage to overcome the hardships of being a persecuted Christian. Pray that they will continue to love and praise God through everything and that they will be able to get out of Christian persecution. You can also help by donating to a Christian persecution organization to help them pay for the supplies and people they need to help stop Christian persecution. Christians are constantly being persecuted because of our faith. Christian persecution has been happening for many years and it still continues today, we need to come together and do something to stop it.
