## My Life

My Judges are my parents, teachers, uncles, aunts, and my grandparents, and Samson was a Judge for the Israelites. Samson's talent was strength, my talent is to dirt bike. My parents can be Judges by leading me and my brothers and by directing us to the right future, and planing ahead so we will be safe and have fun. I can be a Judge by helping my little brothers if they get hurt or need help with something. Parents are like Judges because they protect me and take us places / give us food and give us a lot of there time.
